Accommodation

Exclusive luxury villa from R6 000 per night

- Sleeps up to six guests
- Large and luxurious, the unit is kitted out with a Queen-sized bed and an en-suite bathroom with a double shower, heated towel rails and a spacious tub perfect for unwinding after a day spent exploring the farm.
- The bedroom and living room both open up onto the generous verandah, where sprawling views of the upper Langkloof valley and the relaxing sound of rolling water from the Keurboomsrivier afford guests the perfect opportunity to reconnect with nature.
- Die Keurboom comes with a private pool for hot summer days, thoughtfully designed to complement, not compete with, the natural environment.
- Also available is a second bedroom duplex-style unit called Die Grot, complete with its own entrance and kitchenette.
- Both units have WiFi, but we're sure you won't even need it while basking in the tranquility of the farm and spending time with family and friends.
- Settle in for the night next to the indoor fireplace to end your day, and wake up to the sounds of nature beckoning you outside.
